2. PUBLIC COMMENTS

2.1 SADDLEBACK REPUBLICAN ASSEMBLY (0140-30)

Matt Corrigan, member of the Saddleback Republican Assembly, introduced his group and indicated that they represented the citizens and there were members of their club in the cities of Laguna Hills, Mission Viejo, Aliso Viejo, Laguna Woods, and in areas where they hoped to be growing. The reason for his attendance had two purposes; the first was to introduce himself and the second was to report that they would be sponsoring a Tea Party on April 15th in Mission Viejo at the corner of La Paz Road and Marguerite Parkway which would begin at 5:30 p.m. Mr. Corrigan indicated it would be a peaceful demonstration to commemorate the Boston Tea Party of 1773, the principle being that of Taxation without Representation; it was a mild and well mannered protest against over intrusive government, high taxes, etc. Mr. Corrigan reported that last year over 600 people attended the event from all walks of life, all ages, and all occupations. Mr. Corrigan formally invited everyone to attend this event. Mr. Corrigan also reported that Don Wagner, Assembly Candidate, would be speaking at the group's next public meeting on April 22, 2010, at 7 p.m. to be held in Mission Viejo.

2.2 PERMIT PARKING ON INDIAN HILL LANE (0860-50)

Jim Bresnen, Indian Hill Lane, wanted to inform the City Council on the status of parking at Bella Tierra Homeowners Association. Mr. Bresnen indicated the HOA was in the process of amending the parking rules for better enforcement. Mr. Bresnen was of the opinion that it would be a slippery slope if one person could obtain a permit in the zone that was designated for Bella Tierra, and believed if there was a need, other sections of Indian Hill Lane would be more appropriate for that purpose. Mr. Bresnen reported that for the individual that had asked for a parking permit, his association had up to five on-site parking spots, four of which were on his property. Mr. Bresnen indicated that this same individual was present at the meeting in February 2009 and argued against the permit parking zone on Indian Hill Lane. Mr. Bresnen stated that having a zone designated for one group was not unique in the City; there was another permit parking zone for the dental office at Laguna Hills and Paseo de Valencia.

2.3 LAGUNA HILLS HIGH SCHOOL STUDENT LIAISON (0930-40)

The City Council received an oral report from Laguna Hills High School Student Liaison Jason Brower.

4.4 LEASE AGREEMENT WITH VERIZON WIRELESS FOR THE USE OF CITY-OWNED LAND IN CONJUNCTION WITH THE CO-LOCATION OF A COMMUNICATION FACILITY (0400-10)

Written report from the Community Development Department indicated that at the February 23, 2010, Planning Agency Meeting, Conditional Use Permit ("CUP") No. 07-09-1363, a request by Verizon Wireless to add antennas and associated equipment to an existing Southern California Edison ("SCE") communication facility on City-owned land, was approved. As a condition of approval, the applicant was required to enter into a License Agreement with the City of Laguna Hills ("City") to provide compensation for the use of City-owned property. Staff recommended that the City Council approve the Communications Site License Agreement ("Agreement") with Verizon Wireless that would require an annual fee of $20,400. Staff recommended an initial license term of five (5) years, with subsequent five-year renewals. The Agreement would include a yearly increase of financial obligation based on the Consumer Price Index ("CPI"). Upon entering into an Agreement with Verizon Wireless, the City would realize an annual fee of $20,400 per year into the General Fund, plus annual increases reflecting applicable CPI adjustments.

AUTHORIZED THE MAYOR TO EXECUTE THE COMMUNICATIONS SITE LEASE AGREEMENT WITH VERIZON WIRELESS, FOR THE CO-LOCATION OF A WIRELESS COMMUNICATION FACILITY ON CITY-OWNED LAND.

4.5 PROGRESS PAYMENT NO. 10 FOR OSO PARKWAY LANDSCAPE PROJECTS, NORTH SIDE CIP NO. 603 / SOUTH SIDE CIP NO. 604 (0400-10)

Written report from the Public Services Department indicated that work on the Oso Parkway Landscape Projects, North Side CIP No. 603 / South Side CIP No. 604, was being performed by Marina Landscape, Inc., and began on October 13, 2008. The project was substantially completed and entered into the one-year maintenance period in May 2009. The contractor had submitted the tenth progress payment request for on-going landscape maintenance services and Contract Change Order No. 1. The progress payment was within the Capital Improvement Program Budget for the Oso Parkway Landscape Projects, North Side CIP No. 603 / South Side CIP No. 604.

4.6 REQUEST TO MODIFY PERMIT PARKING PROVISIONS ON INDIAN HILL LANE (0860-50)

Written report from the Public Services Department indicated that at the City Council meeting of February 23, 2010, a resident from the Indian Creek Homeowner's Association approached the City Council with a request to obtain a permit to park along Indian Hill Lane in the "Bella Tierra Community only" permit parking zone. This Permit Parking Program was created for the sole benefit of the Bella Tierra Community residents due to a demonstrated on-site parking shortage. No other development in that area was known to have a below-standard parking design. The Traffic Commission, at the meeting of March 17, 2010, recommended that there be no changes to the current permit parking provisions on Indian Hill Lane.

RECEIVED AND FILED THE REPORT.

4.7 CITYWIDE STREET SWEEPING OPERATIONS AND ESTABLISHMENT OF A NO PARKING ZONE DURING DAYS AND HOURS OF STREET SWEEPING ON SANTA VITTORIA DRIVE (0860-50)

Written report from the Public Services Department indicted that the City was contacted by the Laguna Village Owners' Association with a request to establish a No Parking Zone along both sides of Santa Vittoria Drive from Camino Jalisco to San Remo Drive during the City's normal street sweeping operations. Staff had field reviewed the location during days of street sweeping and had found numerous vehicles parked along Santa Vittoria Drive that were creating a significant disruption to the street sweeping operations. The parked vehicles did not allow the streets to be entirely cleaned. In addition to aesthetic concerns and the lack of efficient street sweeping, improving access to the gutter for street sweeping might improve water quality runoff. Staff had proposed extending the No Parking Zone from Santa Maria Avenue to Lake Forest Drive. The Traffic Commission, at the meeting of March 17, 2010, recommended the request be approved. The establishment of a No Parking Zone during the hours of street sweeping along Santa Vittoria Drive from Lake Forest Drive to Santa Maria Avenue would require the posting of approximately thirty four (34) signs at an estimated cost of $8,500. Funds were available for this work in the Fiscal Year 2009-2010 Public Works Maintenance Budget.

ADOPTED RESOLUTION NO. 2010-04-13-2, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAGUNA HILLS, CALIFORNIA, ESTABLISHING A NO PARKING ZONE DURING THE HOURS AND DAYS OF STREET SWEEPING ON SANTA VITTORIA DRIVE.

4.9 AWARD OF CONTRACT FOR WEED ABATEMENT PROGRAM SERVICES (0400-10)

Written report from the Public Services Department indicated that in accordance with City Council authorization, eight bids for Weed Abatement Program Services were received on March 25, 2010. The apparent low bidder, Igi's Landscape Services, met the contract requirements, was currently licensed, and provided satisfactory references. The 2009-2010 Fiscal Year Budget for the annual Weed Abatement Program was $55,000. Privately owned parcels abated by the City contractor were assessed an administrative fee in addition to the cost to clear the respective parcels. These costs were anticipated to be within the funds available.

AWARDED THE CONTRACT FOR WEED ABATEMENT SERVICES TO THE APPARENT LOW BIDDER, IGI'S LANDSCAPE SERVICES, IN THE TOTAL BID AMOUNT OF $26,483.68, AND AUTHORIZED THE MAYOR TO SIGN AND THE CITY CLERK TO ATTEST THERETO.

The progress payment was within the Capital Improvement Program Budget for the Moulton Parkway Pavement Rehabilitation Projects, CIP No. 166 and CIP No. 167.

APPROVED PROGRESS PAYMENT NO. 4, FINAL, IN THE NET AMOUNT OF $9,204.90, AND CONTRACT CHANGE ORDER NO. 1, TO ALL AMERICAN ASPHALT, FOR MOULTON PARKWAY PAVEMENT REHABILITATION PROJECTS, CIP NO. 166 AND CIP NO. 167, AND AUTHORIZED THE FILING OF THE NOTICE OF COMPLETION AND RELEASE OF RETENTION 35 DAYS POST RECORDATION, IF NO LIENS HAD BEEN FILED.

4.11 COOPERATIVE AGREEMENT (DISTRICT AGREEMENT 12-0625) WITH CALTRANS FOR CONSTRUCTION ASSISTANCE FOR THE LA PAZ ROAD AT INTERSTATE 5 IMPROVEMENT PROJECT, CIP NO. 159 (0400-10)

Written report from the Public Services Department indicated that the improvements to La Paz Road at Interstate 5 included modifications to the State highway system and work within the Caltrans right-of-way. One of the requirements imposed upon the City to allow work within the State right-of-way was approval of a Cooperative Agreement with the State of California which set forth the obligations of both parties. As the improvement project neared the construction stage, it was necessary to approve the Cooperative Agreement and also to fund Caltrans' participation in materials testing of products to be used within the State right-of-way. The Cooperative Agreement, District Agreement No. 12-0625, obligated the City to fund $51,000 of material testing and construction oversight that would be performed by Caltrans as a part of the La Paz Road at Interstate 5 Improvement Project, CIP No. 159.

APPROVED COOPERATIVE AGREEMENT, DISTRICT AGREEMENT 12-0625, WITH THE STATE OF CALIFORNIA DEPARTMENT OF TRANSPORTATION (CALTRANS) AND AUTHORIZED THE MAYOR TO SIGN AND THE CITY CLERK TO ATTEST THERETO.

4.12 APPLICATION FOR PUBLIC ASSISTANCE FOR SEVERE WINTER STORM DAMAGES (0220-25)

Written report from the Public Services Department indicated that the winter storms between January 17, 2010, and February 6, 2010, resulted in the Governor issuing a Disaster Declaration for Orange County and the City was now eligible for federal assistance to recoup expenditures that were incurred as a result of these storm events. A step in the process of seeking reimbursement was to adopt a Resolution designating the "Applicant's Agent" and it was proposed that the City Manager be so designated. Staff would subsequently submit the Disaster Assistance Request to the Office of Emergency Services. Staff estimated that the severe winter storm damages throughout the City to public facilities had resulted in costs of approximately $75,000. Some or all of these costs might be reimbursable by the Office of Emergency Services through Federal Disaster Assistance Funds.

ADOPTED RESOLUTION NO. 2010-04-13-3, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAGUNA HILLS, CALIFORNIA, DESIGNATING THE CITY MANAGER AS THE APPLICANT'S AGENT FOR OBTAINING FEDERAL FINANCIAL ASSISTANCE FOR STORM DAMAGE.

ITEMS REMOVED FROM THE CONSENT CALENDAR

4.8 DELETION OF ONE CROSSWALK LEG AT THE INTERSECTION OF ALICIA PARKWAY AND HON AVENUE/PASEO DE ALICIA (0860-40)

Council Member Carruth removed this item from the Consent Calendar to ask staff if new signage and/or temporary barriers would be installed as a reminder to pedestrians to use the west corner crosswalk.

Public Services Director Rosenfield indicated both signage and barriers would be installed to direct pedestrians to the alternate route.

Written report from the Public Services Department indicated that the Alicia Parkway Traffic Light Synchronization Project (TLSP) was underway through a grant program issued by the Orange County Transportation Authority (OCTA). As a part of this project, traffic flow and synchronization was evaluated along the length of Alicia Parkway and it had been found that the split phase traffic signal operation at the subject intersection was creating a significant impediment to traffic flow. The consultant for the project, RBF Consulting, evaluated this condition and recommended the deletion of one crosswalk leg of the intersection in order to improve the traffic flow by eliminating the time obligated for pedestrian movement. The Traffic Commission, at the meeting of March 17, 2010, recommended approval of the deletion of the crosswalk leg on the easterly side of the intersection from the northeasterly corner (Chevron) to the southeasterly corner (Automobile Club). The deletion of a crosswalk would require the sandblasting of the crosswalk lines with an estimated cost impact of $2,500. Funds were available for the work in either or both the OCTA TLSP Program or the City's Fiscal Year 2009-2010 Public Works Maintenance Budget.

IT WAS MOVED BY COUNCIL MEMBER CARRUTH, SECONDED BY COUNCIL MEMBER LAUTENSCHLEGER, TO APPROVE THE DELETION OF ONE CROSSWALK LEG FROM THE NORTHEASTERLY CORNER TO THE SOUTHEASTERLY CORNER ON THE EASTERLY SIDE OF THE INTERSECTION OF ALICIA PARKWAY AT HON AVENUE/PASEO DE ALICIA.

Mayor Bressette attended the Orange County Sheriff's Medal of Valor presentation luncheon on Thursday, April 1, 2010, at the Hyatt Regency in Irvine. The Chairman of the event and Chairman of the Orange County Sheriff's Advisory Council was Laguna Hills' resident Joseph Carruth. Mr. Carruth did an outstanding job of putting this event together. One of the deputies who received an award was Sergeant Ken Burmood, a Laguna Hills alumni Deputy, for creating and building a new courtroom within a jail facility. There were many Sheriff Deputies who did many good things, and this was a great event to recognize those efforts.

B. 2009 TREE CITY USA (0730-10)

Mayor Bressette indicated that Laguna Hills was named Tree City USA for 2009 by the Arbor Day Foundation. Mayor Bressette congratulated staff for all of the trees that were planted and all of the effort that went into this honor.

C. VOLUNTEER CONNECTION DAY (0950-25)

Mayor Bressette asked Deputy City Manager Reynolds to provide a report. Mr. Reynolds indicated that Saturday, April 17, at 9 a.m. was the date and time scheduled for Volunteer Connection Day. Senior Leader Todd Smyser would be heading up the program. The projects this year would be trail clean up, tree planting along La Paz Road toward Alameda Avenue, as well as a painting project off Santa Vittoria Drive. The event would conclude with lunch being provided to all of the volunteers.

D. LATE NIGHT EASTER EGG HUNT (0950-20)

Mayor Bressette commended staff for the late night Easter Egg Hunt, how well they performed, and for the outstanding program that delighted all of the children, Mayor Bressette reported that "Meet Mr. Bunny" was a big hit.

E. PET CLINIC (0200-10)

Mayor Bressette reported that on Saturday, April 24, 2010, between 9 a.m. and 1 p.m. the City would host its annual low cost pet clinic at the Laguna Hills Community Center. The services provided would be low cost vaccines and micro-chipping. Mayor Bressette invited anyone that had a need to bring their pet to the Community Center to have their pet's chip scanned to make sure it was done correctly. Dogs could be licensed as well and it was noted that the amnesty period was still in effect.

F. SADDLEBACK MEMORIAL CENTER (0250-40)

Saddleback Memorial Center received a very prestigious award in being named one of the top 100 hospitals in the nation by the Annual Thomson Reuters Top Hospitals Balanced Scorecard. Mayor Bressette was very proud of Saddleback Memorial Center in Laguna Hills. Mr. Channing, Mr. and Mrs. Songstad, and Mrs. Carruth had a great deal to do with this over the years, and were all to be congratulated for their efforts.

8.2 Council Member Songstad

A. FISCALIZATION OF LAND USE (0150-55)

Council Member Songstad reported that at the last Orange County Division League of Cities meeting, they discussed the Southern California Association of Governments (SCAG) Subcommittee Report on Fiscalization of Land Use and the City had taken the position that the report should go no further, and SCAG should not be involved. Council Member Songstad was happy to report that at the SCAG committee, of which that committee was a subcommittee of, they voted almost unanimously to not forward that report on, and expected that would be the reaction of the Regional Council as well. Along with that action, there was a direction to SCAG staff to forward to the Legislature, especially to Assemblyman Norby, that SCAG's name was not to be associated with any policy unless that policy had actually been adopted by SCAG.

8.3 Council Member Lautenschleger

A. SUSPENSION OF AB 32 AND SB 375 (0480-60)

Council Member Lautenschleger reported that he attended an all day meeting on Thursday, April 8, 2010, representing the Orange County Division of the League of Cities, on the State-wide League of Cities Committee on Transportation and Public Works. Each year cities that belong to the League of Cities may submit Resolutions regarding League actions or policies that are first reviewed by the various Policy Committees before being sent to the full Board for approval and then voted on at the Annual Conference. Some actions direct the League how to work with the State Legislature. There has been much discussion about AB 32 and SB 375 but it had been rightfully criticized as overbearing, harsh, doing what it could to kill business in California, especially during these economic times. Council Member Lautenschleger was happy to report that the Transportation and Public Works Committee voted 27-7 to propose that AB 32 and SB 375 be suspended for five years. These laws will only further devastate a terrible economy and unemployment rate in this State. Council Member Lautenschleger was happy to see this request come out of his Committee and out of the Revenue and Taxation Committee, and the Housing Committee as well. The only Committee it did not pass in was the Environmental Committee. But now this measure by Fiscal Forward would hopefully go to the State and they would see a strong effort on the part of the cities and perhaps the Legislature would take a second look and see this was grossly affecting residents, businesses, affecting everything in the State as far as trying to get us out of this terrible economy.

Council Member Songstad indicated there was an unusual structure of the meeting last week in that there was a general meeting of several committees and a debate or at least a discussion between the League staff, Mary Nichols, Chairman of the California Air Resources Board, who was answering questions, and Assemblyman Logue, who had sponsored a Bill which was behind the California Jobs Initiative, which would suspend AB 32 and SB 375, until the unemployment rate hit 5.5% in the State of California. Council Member Songstad found interesting, at least in this meeting, that Mary Nichols seemed to clearly understand that there was a problem with implementing these regulations and these statutes, at a time when California's economy was completely upside-down. There were going to be adjustments at targets and time limits, trying to get the committees not to vote in the way they did, but there seemed to be a clear recognition, even on the part of the Chairman of the Air Resources Board, that this was the wrong time to be moving forward in that there wasn't any money at this time.

9. CLOSED SESSION

There was no Closed Session.

ADJOURNMENT

There being no further business before the City Council at this session, Mayor Bressette declared the meeting adjourned at 8:33 p.m.
